

FEBRUARY 28, 2011 – WALLACE TOWNSHIP HISTORICAL COMMISSION MINUTES – DRAFT

The meeting was opened by Stephanie Grunwell, Co Chairman, at 7:05 PM. Attending were Isabelle Blank, Beverly Bock, and Sandy Brannan.

Motion was made to accept the January 24, 2011 Minutes as corrected. Beverly had talked to Sandy about minutes and they had decided there would be a separate page for meetings that were postponed and the reason for the postponement. These would be filed in the correct order, making it easier to keep track. Also, the corrected minutes will include “Final” in the title.

PERMANENT COLLECTION

Sandy showed us a form to be used listing contributions from donors to the Historical Commission. This form was developed by Sandy several years ago and for some reason was never enacted. The form would be given to the donors to use, if they desire, on their tax form for deduction purposes. Not all donations would have a monetary value. We decided to put this on next month agenda when we have more members attending. This is different from the Thank You notes sent out.
