**I. Approval of Minutes:** May meeting minutes were approved.

### **II. Old Business:**

#### **A. Hankin well drawdown.**

Mark Eschbacher discussed his plans to present the EAC position on the well drawdown to the BoS at their Wednesday, June 21, 8AM meeting. Skip MCGrew asked Mark to outline the EAC's recommendation to remedy the well drawdown and suggested that he would present these to Hankin before tomorrow's meeting with the expectation that an agreement could be reached.

**B. Woodlands Task Force.** Mary Ann Zeiders and Anna Marie Guglielmo reported on the progress and activities of the Woodlands Task Force. They expressed a concern that certain high profile members of the community were not buying into the ordinance and members discussed ways to encourage buy-in. Members agreed that it would be advisable to directly ask high profile members of the community what they would consider as an acceptable ordinance.

#### **C. Community Day, Saturday, June 24.**

We assigned roles and responsibilities for community day and planned a schedule for the day's events. The EAC handouts were reviewed and discussed and Mary Ann presented a box of children's books that were donated by Mr. and Mrs. Miller. We agreed to remove any signatures in the books before handing them out at Community Day. The EAC booth will be set up, taken down and serviced by Anna, Mary Ann, Mark and Tish.

### **III. New Business:**

No new business was discussed.

### **IV. The meeting adjourned at 9:00 PM.**
