Guests In Attendance: Rick Sellen

The meeting was called to order at 7:00 PM.

### **I. Minutes**

Minutes were not presented for approval. (February EAC meeting was cancelled And January EAC meeting was conducted by Woodlands Task Force.)

### **II. Old Business:**

**Woodlands Task Force.** Mary Ann Zeiders reported on the progress and activities of the Woodlands Task Force. The Planning Commission has presented the woodlands ordinance to the Board of Supervisors who will vote at the next BOS meeting to send the ordinance to the township solicitor for review. The Planning Commission expects to discuss the SALDO changes recommended by the Woodlands Task Force at their next meeting. It is expected that this will be approved without much delay.

The Chester County Planning Commission extended the grant deadline and also increased funding for the Woodlands Task Force.

A revised timeline has been prepared that documents the milestones and deliverables required to meet the new deadline.

### **III. New Business:**

**A. Newsletter insert.** It appears that the January newsletter with an EAC insert was not released for delivery. A topic for a second insert is on hold.

**B. Community Day.** This is the last Saturday in June. Volunteers are needed to help plan the EAC booth and activities.

**C. Greenfield's Golf Course development.** This is the next large scale development in front of the Planning Commission. Not much is known about this but it is expected that the size will have a major impact on all resources in Wallace Township.

### **IV. The meeting adjourned at 9:00 PM.**
