Ideas generated for each event are outlined below.

- Easter Egg Hunt – run by Pastor David Hicks, Faith Alliance Church. Danielle was going to talk to Pastor Hicks to see if he would be receptive of bringing in other Community churches.
- Earth Day – event is being requested by Residents to help keep Wallace clean. This is the first year for Wallace Township to partake in this event. Two websites are being researched; [www.GreatPACleanUp.org](http://www.GreatPACleanUp.org) and [www.KeepPABeautiful.org](http://www.KeepPABeautiful.org). Other Boards may be interested in expanding on this Day, such as Wallace Trails and EAC, Danielle would send an email or get in touch with both committees.
- Community Day – suggestions for improvement are; Information Table, more interactive, DARC, more Community Groups, such as; Garden Club and bring back the used Book Sale. Vendors and Glenmoore Fire Company demonstrations.

- Blue Grass Concert
- Movie Night – Mark will research how this was handled in the past and get more information for further review. Jamie is researching projection equipment for renting or purchasing, with the necessary approvals.
- Halloween Parade – it was questioned whether this event should take place on Saturday October 31, 2009. Time frame could be 3 – 5pm with Trick or Treat following. There will also be more time to make the arrangements with the Fire Company and other participants.
- Annual Tree Lighting Ceremony
