- Earth Day – is scheduled for April 25th from 10:30 – 4:00. The application to a state sponsored website for tips and supplies will be submitted by Danielle upon approval by the Board of Supervisors. An attempt will be made to attend the meeting Thursday morning at 8:00am. A suggestion was to end the day with a Hot Dog Roast, location to be determined.. Additional sessions may be needed over the next six to eight weeks to iron out all the details.
- Movie Night – Mark will research how this was handled in the past and get more information for further review. Jamie is researching projection equipment for renting or purchasing, with the necessary approvals.

A request has been made for the Park and Recreation Board to research public restrooms at Wagenseller Park.

- Research into local community contractors for potential bids on this project.

Meeting adjourned at 8:54pm.
