    - b. Nancy and Ray Wheeler are interested in donating an easement to connect from Brandywine Hill trail through Colonial Woods to Springton Manor Farm. At 3/2/2017 BOS meeting, BOS agreed they would accept easement on property, providing liability coverage, after walking trail to understand what they would be taking on. Proposed trail walk was Saturday May 20. Attendees: Dorothy, Steve, Carol and Chuck Zindel, Rob Jones and Nancy Wheeler. We walked proposed trail corridor w Rob Jones, who liked the trail. To make the trail less obvious to Colonial Woods, BC suggested a small portion of Zindel's property be considered for trail. Zindels will generously consider this easement. Rob suggested the next step would be to mark the trail corridor on a subdivision maps and present it at an upcoming BOS meeting to Mike (attorney) and Craig Kologie (engineer) so they may provide next steps: **done 7/6/17**. Rob wants to make sure Wheelers and Zindels have umbrella liability protection under township insurance policy.
    - c. Meet with Susan Giangulio to discuss maintenance on eased parcel
  - g. Wadsworth Subdivision - Barb D. will broach subject for us about crossing driveway closer to Highspire in lieu of current area proposed in plan. This would keep trail off Highspire Road

Ethan borrowed (to help make his choice): 3 large maps, CC map with township, Wallace parcels, Wallace Trail maps. His top contender is to create Colonial Woods trail, which would connect to Brandywine Hill (northward), and Springton Manor Farm (southward, after crossing the creek and Springton Road)
